

BLISTERS ON MY SOUL

Movin' down the years
Holdin' back them tears
Got blisters on my soul
Sure takin' a heavy toll

Try to make some sense out of it
Why's my self-defense doubtin' it
Gotta find a way out of it
Finally say okay it don't fit
No more now anyhow

Can't rerun what ain't begun
Can't fix what's already done
Been searchin' for a sunny smile
Been lookin' for quite awhile

Try to make some sense out of it
Why's my self-defense doubtin' it
Gotta find a way out of it
Finally say okay it don't fit
No more now anyhow

Movin' down the years
Holdin' back them tears
Got blisters on my soul
Sure takin' a heavy toll

Them blisters on my soul
Got blisters on my soul 'n'
They won't go away no mo'
Blisters on my soul
